

**Behbud Sanat Shams**

**شرکت فنی مهندسی بهبود صنعت شمس**

**XGFB-720B Semi automatic Film Laminating Machine**

**XGFB-1100L Semi-auto Glue-less And Thermal Film Laminating Machine**

Our Film Laminating Machines are designed and manufactured elaborately based on international similar machine, which have more than 20 years manufacturing experience. These machines have advanced technology, excellent quality and fashionable.

These machines can laminate glue-less film and thermal film with compact structure, small volume and easy operation. Electrical system and main parts are international brand. Only one worker can run it quickly !
